

## **MONTHLY MAGAZINE**

### **Skills:**

Student uses a variety of reading materials to develop personal preferences in reading materials and locates and organizes written information.

### **Instructions:**

Tell students that they are in charge of planning a cover for an important monthly magazine. They can look through today's paper for the five articles that they think would be best for their magazine. They will design the cover, including titles that will make people want to read the articles and pictures that will catch their attention.
