

WORKERS OF THE WORLD

Skills:

Student uses resources to find information about potential employment.

Instructions:

A newspaper can be a great career resource for students if they are aware of the job information it contains. Have them find a job in a new field, an ad for a job with a salary more than \$30,000, a government worker, someone who owns a business, a volunteer getting experience, someone who works well with people, a good worker, a person with a fun job, etc.

WORKERS OF THE WORLD

A **newspaper** can be a great career resource for you if you are alert to the job information it contains. Find examples of the following in today's paper: a job in a new field, an ad for a job with a salary more than \$30,000, a government worker, someone who owns a business, a volunteer getting experience, someone who works well with people, a good worker, a person with a fun job, etc. Be sure to record the page number where you found each item.
